

# WEST HIGH CLASS OF '66 40TH REUNION NEWS

---

ISSUE 2 -- APRIL 2006

## LONG, LONG AGO.... 40 YEARS THIS JUNE!! TIME FOR ANOTHER REUNION!!!

We are planning a single event this year -- Saturday night, June 24th, at the Snow Goose Restaurant. This Event will be for graduates and their guests, wanna-bes, and East High. Food will be provided in the form of exotic pizza, buffalo wings, and other yummys.

Do you remember the original Elks Lodge downtown on 3rd? It is now the Snow Goose Restaurant. The restaurant includes three floors, two decks. We have rented a large room on the first floor for our Reunion, but the restaurant's Management has assured us that we may wander the restaurant where we wish.... I hope it is sunny because Mt. McKinley can be strutting it's stuff!

### VOLUNTEERS WANTED

Be a part of the planning. Renew some acquaintances and catch up on a few years of changes (yes, we all have them). Join the Reunion Committee.

### MEMORABILIA

If you have pictures (Elementary School, Jr. High, West, et. al.), news clippings featuring YOU, etc. please send them to me for display. If you have something that you would like to share you may also write a letter and/or send family pictures to be included in our Memorabilia notebooks. (If you want the pictures back, let me know and I will make copies.)

Many of our classmates are business owners. Send me a business card and/or a brochure to be included in the notebooks!

### LOST AND FOUND

Many of our classmates have dropped off our mailing list. We are keeping a current list of the Lost on our website (thank you Gary Upton). Be sure to check it out  
<http://wahs66.clubplug.com>.

You may have registered with various other reunion web sites. The most accurate seems to be the one that is kept by us ([ganopole@yahoo.com](mailto:ganopole@yahoo.com)), but the Anchorage School District is our favorite back-up.
